The Friends of the Children's Hospital Association

Dear Management and Staff

Thank you so much for yet another wonderful donation of clothes from *Just Junk*. We do appreciate your support and commitment to helping our children and their families. Thank you for always thinking of them.

Each child deserves to be happy after the traumatic experience of hospitalisation. We, therefore rely on the support of the community to fulfil this wish.

Your donation is extremely important to us and most especially to our children at the Red Cross War Memorial Children's Hospital. We need and value your continuing support. Thank you once again.

Yours sincerely,

Mrs Avril Isaacs

Managing Director
